Zycron Scholarship for BDPA Students
National Application

Scholarship Overview:

The objective of the Zycron BDPA Scholarship is to award up to $2,500 to outstanding students with an interest in pursuing or continuing a 2-year or 4-year academic program related to Information Technology (IT).

The Zycron BDPA Scholarship is part of Zycron's overall education initiatives designed to support students pursuing academic success and to further promote our belief in the power of education.

Eligibility Criteria:

1. Must be a member of BDPA Chapter located within US jurisdiction
2. Must provide proof of acceptance to a 2-year or 4-year degree program
3. Must be a graduating high school senior or college student in good academic standing and must have at least 1 year of study left in their college program
4. Must demonstrate academic achievement (minimum GPA of 2.5 on a 4.0 scale)
5. Must submit an essay on "How Has Information Technology Impacted Our Society" (500 words maximum)
6. Must provide a passport size photo
7. Must complete the Zycron BDPA Scholarship application packet
8. Must not be related to any employee actively working at Zycron

---

Completed Application Packet should be received by **July 22, 2016** and mailed to the following address:

Zycron BDPA Scholarship Committee
Attn: **Tosha Jones**
413 Welshwood Drive
Nashville, TN 37211
(615) 964-5767
